

Perth Hills Maturity Testing Workshops

This workshop is part of the Pome fruit industry's commitment to lift the quality standard of apples in Western Australia, to ensure WA apples are the No 1 choice in both the local and export markets.

*Bring your new season Gala Apples to be maturity tested at the workshop.
Collect your bottle of Iodine Solution and Starch Chart to use during the 2019 harvest season.*

Date: Thursday 31st January

Time: 2 - 4pm

**Location: Steven & Wayne Ghilarducci's Packing Shed
173 Canning Road
Karragullen**

Maturity Testing starts half hour before the workshop

Guest speakers

Chris Hall TQAS – Maturity testing to ensure good quality fruit in the market place

Peter Vedeniapine AgroFresh – How to measure starch and get the storage right using Harvista

Steele Jacob DPIRD – Testing your apples
